*After graduating from the University of Illinois in 1973, I taught in suburban Chicago for 5 years. I moved to Colorado in 1978 after a skiing vacation drew me to the mountains and the beautiful Vail Valley. I obtained my broker's license in 1980 and the G.R.I. Designation. I owned and operated Horizon's West Real Estate for 10 years and was active in the Vail Board of Realtors. In 1996, I joined Coldwell Banker Timberline as a partner and the managing broker. I loved the professional and productive atmosphere of this highly talented group. The Coldwell Banker organization and my colleagues have provided a superior level of support and professionalism allowing me to achieve the coveted President's Elite award for outstanding achievement. I love my career and the Rocky Mountains. I feel fortunate to be able to work and raise my two children in such a beautiful valley. I look forward to each day as a new challenge.*

**MISSION STATEMENT**

To provide superior service to customers and clients while striving to extend the highest level of professionalism. I pledge to always go the extra mile in marketing and follow-up and real estate education.

An agent's professionalism, knowledge, experience, integrity and willingness to work can significantly influence the outcome of any real estate transaction in your favor. Select an agent who merits your trust and confidence. "It is my goal to display professionalism above reproach in each transaction. The blending of my experience and knowledge with the sophisticated tools and strength of Coldwell Banker Timberline Real Estate, Inc. assures you the competitive edge in today's real estate market. My pledge to you is to use all of the resources available to benefit you."
